## LEARNING LANGUAGES

**Students learn to communicate in an additional language, develop their capacity to learn further languages, and explore different world views in relation to their own.**

### COMMUNICATION

- Use a language to make meaning - vocabulary

We provide opportunities within our **Learning Languages** curriculum for students to develop an understanding of how people are linked locally and globally and how language and culture are related

### KNOWLEDGE

- Study a language in order to understand how it works

### CULTURAL KNOWLEDGE

- Learn about culture and its interrelationships with language
