

SCHOOL DONATIONS 2022

Each Area has their own activity related costs that are used to support and enhance the delivery of a broad and rich curriculum. This includes: swimming, trips and transport, educational visitors to school, technology at Avalon Intermediate* and camp*.

Payment of this amount is **essential** for enabling us to provide rich learning opportunities for our students. Without it we would have to limit these experiences outside of the classroom.

*Years 7 & 8 only

Kowhai Curriculum Activities	Amount	\$75
------------------------------	--------	-------------

Nikau Curriculum Activities	Amount	\$90
-----------------------------	--------	-------------
